# **CONTRACT CONDITIONS FOR INSURANCE COVERAGE FOR CORPORATE CUSTOMER OF DMO GmbH & Co. KG UNDER THE SERVICE CONTRACT**

## **1 Object of the Insurance**

- 1.1 1. The insurance policies are only valid for corporate beneficiaries of DMO GmbH & Co. KG
- 1.2 They cover the following areas:
  - a) The insurance policy covers statutory liability arising from commercial and/or private use, holding, ownership and operation of all kinds of model aircraft up to a take-off weight of 150 kg.  
In the case of model rockets, the insurance cover is only valid for a propulsion unit of not more than 50 g and a maximum take-off mass of not more than 50 kg.  
The insurance coverage also extends to the use of so-called UAVs (unmanned aerial vehicles) or drones up to a maximum of 25 kg.  
This includes indoor operation; commercial photographic, film and video recording is also covered.
  - b) Corporate model aircraft grounds - Liability Insurance
  - c) Promoter liability insurance for model sports events (on separate application, not included in contribution)

## **2 Basis of the Insurances**

- 2.1 The prerequisite for granting of insurance cover is compliance with the legal and official regulations.
- 2.2 Aviation Liability Insurance Conditions (Aircraft Operator) - AMU 300/07
- 2.3 Aviation Liability Insurance Conditions (clubs, landing sites, promoters) - AMU 304/03

## **3 Scope of the Insurance**

- 3.1 Model Holder-Liability Insurance
  - 3.1.1 The prerequisite for granting of insurance cover is compliance with the legal and official regulations.  
The insurance policy covers liability arising from holding and operation of model ships, cars and aircraft as well as drones up to a maximum of 25 kg.  
The FPV process with video glasses or monitor is also insured.  
Model hot air balloons, model zeppelins, kites (stunt kites and single-liners), as well as model rockets up to max. 50 kg take-off weight and with a power unit of max. 50 g, as well as the indoor operation, are included.  
Commercial photographic, film and video recordings are also covered. Teacher/student operation is also insured. Coverage for autonomous flying is only included with the express authorisation of the competent national aviation authority.  
For flights outside of approved sites, the insurance cover is only valid if the legal requirements and official requirements have been complied with. From 01.10.2017, proof of knowledge is legally required above 2 kg take-off weight. If a take-off permit has been issued by the competent aviation authority, the statutory provisions and official requirements laid down therein shall apply. With DMO GmbH & Co. KG, no additional insurance is required for this.
  - 3.1.2 The insurance cover also includes the personal statutory liability of the insured model holder for damages which are directly and indirectly related to the keeping and operation of his model and/or operation of the associated remote control system.
  - 3.1.3 A corporate service contract must be concluded for each pilot in a company under the corresponding DMO GmbH & Co. KG company number.
  - 3.1.4 The global scope of coverage, excluding the USA, is hereby deemed as agreed.
  - 3.1.5 The insurance also covers participation in competitions and public events.
  - 3.1.6 The insurance cover also applies if the models are used commercially or professionally or within a secondary occupation.
  - 3.1.7 The FPV process with video glasses or monitor is also insured.

## **4 Start and Duration of the Service Contract including the Insurance**

- 4.1 The insurance cover begins on the date requested by the applicant, but not before receipt and acceptance of the application by DMO GmbH & Co. KG.
- 4.2 The service contract, including insurance, is extended automatically from year to year, if it is not terminated in writing by one of the contractual partners no later than 30th Sept. of the current year.
- 4.3 Insurance coverage ends automatically upon termination of the service contract with DMO GmbH & Co. KG. No reimbursement of contributions will be granted.

## **5 Conduct in case of damages (for liability claims)**

- 5.1 In the case of accidents, DMO GmbH & Co. KG shall be notified without delay.
- 5.2 Damage claims are to be requested and submitted immediately to the DMO GmbH & Co. KG.

## **6 Place of jurisdiction: Wuppertal/Germany**

The contract is based on German law.
